Where is your heart?

“What I wanted most for my daughter was that she be able to soar confidently in her own sky, wherever that might be, and if there was space for me as well, I would indeed, have reaped what I had tried to sow” – **Helen Claes**

Welcome to **The H-Factor...Where is your heart?** The H-Factor is a film piece that I am co-creating with my nine-year old daughter, Kayla, as a final project for a graduate studies program I am completing in Spiritual Psychology.

**The H Factor** is a celebration of the human spirit that seamlessly and magically links us all together.

Participation is very simple. Everyone will be asked the same question. You will have less than one minute to answer. Ta-da...your **Heartprint** will have been captured in our collection. While your “moment in the spotlight” before our camera will be brief, your **Heartprint** will be memorialized and contribute to the perpetuation of happiness around the world. Your **Heartprint** may potentially be included in our film to be aired worldwide via the Internet and beyond.

We express our heartfelt gratitude for your gracious participation in this project.

We would love to stay in touch with you. Please give us some vital information which will never be sold or disclosed to others. We will happily update you, let you know when and where the project has been distributed and send you a DVD copy for your personal use.

I, hereby confirm the consent heretofore given you with respect to your photographing me in connection with your film, and I hereby grant to you, your successors, assignees and licensees the perpetual right to use, in any manner or in any media currently existing or which may be developed in the future, as you may desire, all video, still and motion pictures, written word, drawings, artistic medium, sound track recordings and records which you may make of me or of my voice, and the right to use my name or likeness in or in connection with the exhibition, advertising, or any other use of such motion picture or recording.

I will not seek compensation from the creators/producers for my involvement in this project.

I also understand that it takes a significant amount of time to complete a film – and in some cases projects are abandoned and not completed at all. If the filmmaker has promised a tape of the film I agree to allow a reasonable amount of time to elapse after the performance for completion. I agree that should the film not be completed I will take no action against the creators/producers.
